**Alert Type: Calls regarding Debit Cards**

It has been reported that several customers have received a phone call from a company claiming their debit card has been locked. This call is an attempt to retrieve the customer's account information (debit card number, expiration date, account numbers, & etc.) This is a fraudulent call and customers are advised to hang up immediately.

**First Vision Bank customers are contacted by First Vision Bank's debit card services only to verify the last few debit card transactions, once a transaction out of the normal range is detected. THEY ONLY CALL FROM 1-800-890-5097.**

If you have any questions or concerns please contact a customer service representative at 1-866-251-9182.
